# Mini MASTER CDM

## - Energy savings up to 75%

### MINI-MASTER

In respect to shop lighting, recessed down-lights are ideal for installations where space is at a premium and lighting fixtures needs to be mounted unobtrusively. Recessing fixtures also permits more creativity shop lighting designs.

**Introducing the new Master-Mini DL and Pistol DL recessed down-light fixtures with CDM lamps!**

Providing high efficiency and good colour rendering, these specially designed small, lightweight fixtures for indoor applications provides the solution of flexibility and miniaturization particularly in shop lighting design, which not only improve the quality of lighting accents and design, it also helps save the cost of power consumption for end users.

## The embodiment of flexibility.

In order to make the new **Norm** range as flexible as possible a new concept has been introduced: twin versions with **integrated electronic gears** - these can be recessed, suspended with wires or even track mounted!

Additionally, an optional suspension kit is available for the non-integrated Norm Duo, Trio and Quattro.

- Great Optical Performance
- Ease of Use
- Flexibility

NORM SINGLE

NORM DUO

NORM TRIO

NORM QUATTRO

Model	Lamp options
Norm Single	1 x CDM-T 35W/70W or 1 x CDM-R111 35W/70W
Norm Duo ^	2 x CDM-T 35W/70W or 2 x CDM-R111 35W/70W
Norm Trio ^	3 x CDM-T 35W/70W or 3 x CDM-R111 35W/70W
Norm Quattro ^	4 x CDM-T 35W/70W or 4 x CDM-R111 35W/70W

^ Optional suspension kit - Max length 2.0m

## INTELLIGENT

**Intelligent** is a new Lival fixture designed to be used with CDM-Tm & CDM-TC lamps. The fixture is the same for the full range of wattages from 20W to 70W giving a unified look for the whole range. Together with faceted reflectors specifically designed for CDM-Tm & CDM-TC lamps this results in a significantly smaller fitting when compared to fittings using T type lamps.

INTELLIGENT TM

### INTELLIGENT

Model	Lamp holder	Lamp options
Intelligent Tm 20/35	PGJ5	CDM-Tm 20W/35W*
Intelligent TC 35	GUB.5	CDM-TC 35W
Intelligent TC 70	GUB.5	CDM-TC 70W

### NORM INTEGRATED

Model	Lamp options
Norm Duo R	2 x CDM-T 35W/70W or 2 x CDM-R1111 35W/70W
Norm Duo S	2 x CDM-T 35W/70W or 2 x CDM-R1111 35W/70W
Norm Duo T	2 x CDM-T 35W/70W or 2 x CDM-R1111 35W/70W

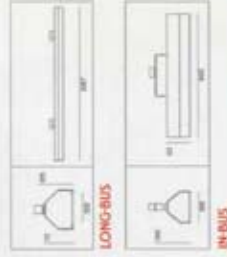

### NORM 250

Model	Lamp options
Norm 150 ^	1 x CDM-T 150W
Norm 250 ^	1 x CDM-T 250W

## FLUORESCENT

We are happy to introduce our latest fixtures using fluorescent lamps: the **In-Bus** and **Long-Bus**! These two very competitive additions widen our product range and are the perfect supplement to our HID fixtures. They are ideal for low-cost, energy efficient general lighting in large spaces such as supermarkets, warehouses and offices.

### FLUORESCENT

Model	Lamp options
In-Bus 255	2 x Dulux L 55W
Long-Bus 154	1 x T5 54W
Long-Bus 254	2 x T5 54W
